

bet your way

The origin of gambling is considered to be divinatory: by casting marked sticks and interpreting the outcome, man sought knowledge of the future and thus from it gained. From this it was a very short-step to betting on the stars.

example, Jesus said. No one can serve two masters! Either you will hate the one and love the other or you wish to be devoted to the one and despise the other. Is gambling a sin? An Honest Exploration from a Christian... : is-gambling a sin? : is-gambling a sin?
