

# 21 jogo de baralho

A key difference between Blackjack and Spanish 21 is that 10s are removed from the deck in Spanish 21. A BlackJack occurs, when the first two cards dealt equal 22 (a combination of the face Card (Jack), Queen, King, or Ace and a numbered 10 card) removed from the deck leaving 48 Cards, in each Deck. Jacks, Queens and Kings count as 10.
