

# andrii novak poker

When a player wins, they are still required to shout. After their claim is verified, winnings are automatically deposited into the players bingo account. This means that the staff member who verifies the claim is the staff member who provides the proof of the claim. This means that the staff member who verifies the claim is the staff member who provides the proof of the claim. This means that the staff member who verifies the claim is the staff member who provides the proof of the claim.
