As common types of bets that can be placed on a horse race with six horses are:

- Win bet:** This is the bet on a horse to win the race. If the horse comes in first-place, and the bettor wins an amount stated from the odds.
- Place bet:** This is the bet on a horse to finish either first or second. If the horse comes in either first or second place, and the bettor wins the amount stated from the odds.
- Show bet:** This is the bet on a horse to finish either first, second, or third. If the horse comes in either first, second, or third place, the bettor wins an amount stated from the odds.
- Across the board bet:** This is a combination of a win, place, and show bet.

Examples:

- Exacta bet:** This is the bet on a horse to win and another horse to come in second in exact order. If the horses come in the exact order, the bettor wins an amount stated from the odds.
- Quinella bet:** This is the bet on two horses to come in first and second in any order. If the two horses come in first and second, the bettor wins an amount stated from the odds.
