FEATURES

DuelReels is the first game to proudly feature our famous DuelReels mechanic. DuelReels are triggered by landing VS symbols, which expand into wild reels if they form part of a winning combo after expanding.

Naturally, Wanted Dead or a Wild's DuelReels feature two hardened outlaws battling it out in a stand-off duel. The winner takes it all, which in this case, means YOU - regardless who wins, the victor's multiplier is applied to the whole reel, boosting all wins that pass through it. If more than one wild reel shares the same winning combination, their multiplier values are totaled up and multiplied by the payline wins.
