<p&gt;STARTING POKER HANDS - K9&lt;/p&gt; How to Play K9&It;/p> <p&gt;Texas Holdem <p&gt;King Nine is a good looking hand&lt;/p&gt; <p&gt; in a poker &#128139; game, thanks to the King edge. But it is almost always advisable to lay this</p&gt; <p&gt; hand down to avoid a &#128139; mess later. When suited, K9 can be an attractive hand to hold but</p&gt; <p&qt; not so practical to play with. There &#128139; is a 70% chance that t here will be an over card on</p&gt; <p&gt; the flop and then you might feel the &#128139; heat. So what situation n is most playable for this</p&gt; <p&gt; poker hand?&lt;/p&gt; <p&gt;Play suited ones in late position?&lt;/p&gt; <p&gt;Position is something to be &#128139; considered&lt;/p&gt; <p&gt; when playing all King-combinations. You can play this hand from big bl ind and there are</p&gt; <p&gt; no raises. Just see &#128139; the flop and if you don thit your top pair, then best to lay it</p&gt; <p&gt; down and don t get stuck &#128139; to it. Even if you hit your King p air on the flop, use caution</p&gt; <p&qt; because nine isn t the best kicker. &#128139; Otherwise, if suited Ki ng Nine can also be played</p&gt; <p&gt; from late position especially if you are the button and there &#128139 ; are no raisers. But the</p&gt; <p&gt; golden poker tip is never to raise on K9 even if suited. Remember, sui ted cards 💋 look</p&gt; <p&gt; nice but they only add a 2% edge to your odds.&lt;/p&gt; <p&gt;When Played at Adda52&lt;/p&gt; <p&gt;At the texas&lt;/p&gt; <p&gt; hold em tables at &#128139; Adda52, sathk22 had 9s and Kc and knew it wasn t a strong hand. He</p&gt; <p&gt; was big blind on the five &#128139; people table where only Valentine called with a weaker Qh 3h.</p&gt; <p&gt; The flop was 5d 6s 10c and the rainbow &#128139; didn t get anything for either player. Both</p&gt; <p&gt; checked and the turn was Qs. Valentine had hit top pair but decided &# 128139; to check. The river</p&gt; <p&gt; was K d and thus sathk22 s online poker skill had coupled up with some luck and 💋 awarded</p&gt; <p&gt; him. He now raised to 16 and was called and won the pot.&lt;/p&gt; <p&gt;&lt;/p&gt; Autor: pittsburghscubacenter.net
