The World Cup mode in FIFA 23 is the last World Cup mode since a new generation of games will go under the name EA Sports FC and therefore will not get licensing from EA Sports FC. On 19 June 2024, it was announced that on 21 June 2024 Copa Women's Mundial de Fútbol Femenino will be released around the end of June 2024: [futbolista-23 - Wikipedia en-w](#)
