

## h2poker

Hand histories are easy to find in the PokerStars client. First, click on Settings over on the right side of the main lobby. Then look down the list on the left and click Playing History.

You will see two items appear, Hand History and Tournament Summaries.

Hand histories: Where to find them and what to do with them - PokerStars

How To Work Out Percentages in Poker (Manually)

FL

OP: Take your outs and multiply this by 4 to find the approximate % of making your draw by the river (turn or river)

TURN: Take your outs and multiple this by 2 to find the approximate % chance of making your draw on the very next card (turn only)
