This game is a legit way to potentially win money, but it's best if you enjoy it. The primary reason you play is then any winnings are a bonus! Keep in mind that while the app is legit, you might lose money if you don't win. The game is called Bubble Cash. I participated in: Bubble Cash Game Review [2024] : Shoot Bubbles To Finance Buzz ; Bubble Cash - Call Review {k0} Bubble Cash is a 2D emulsion game developed by

using a joystick to control a bubble in the kitchen sink. The objective is to progress through levels by avoiding enemies! Bubbles (video game) - Wikipedia & en-wikimedia
