A key difference between Blackjack and Spanish 21 is that all 10s are removed from the deck in Spanish 21. A Blackjack occurs when the first two cards that are dealt equal 21 (a combination of a face card (Jack, Queen, or King) and an Ace (which can have a value of 1 or 11, depending on the situation).

Jack, Queen, King, and Ace. This is because these cards increase the probability of getting a blackjack (an Ace and a 10-value card).

pays out at a higher rate. In blackjack, which card card and why? - Quo
