Flaming Hot has earned its position as one of the most popular slots. Easy to understand and play, it appeals to most slot players. It is a product of industry giant Euro Games Technology. Games with fruit motifs are a common product of the company, which ranks it among the slots, familiar to the smallest detail of the players.

The freedom that the slot provides for all types of devices it can be played on (tablet, smartphone and laptop) further contributes to making it a preferred slot among players. It is suitable both for beginners and for those with more experience and achievements.

How to play Flaming Hot

The Flaming Hot game is made up of 5 spinning reels and 5 rows. There are 40 paylines crossing from left to right. From the button located in the lower left corner, you could learn more about all possible winning combinations, as well as view the full game guide.

The game starts with a bet selection. The size of the credit can be 1, 2 or 3 diamonds respectively. An auto-spin follows, which can be manually manipulated at your discretion and need to change the bet size.

The game starts by pressing the Play button.

Winnings and bonuses in the game Flaming Hot

The Flaming Hot slot offers the possibility to double the win over 1500.

The standard and well-known fruit symbols bring different value wins. Banana and grapes give the same winnings and are reached with combinations of 3, 4 and 5 symbols on a line. The Bar and Dollar symbols bring the same winnings, and they can be realized in combinations of 3, 4 and 5.

The week will bring you profits if it is in combination with 2, 3, 4 and 5 symbols reached in a line. The Wild symbol does not win you by itself, but it replaces any symbol on reels 2, 3 and 4. It can be combined with any other symbol except the Dollar, which also represents the Scatter marker in the game.
