Your goal is to draw cards that total 21, or come closer to 20 than the dealer.  
Going Over. The Dealer and each replayer start With two Cards. The Dealer's first card is face up, the second Face as down. Front card: Dealer count As 1, 10, Ace counts as 1.

Soft 17: A hand with an Ace and a 6 is soft 17. In some games, the dealer must hit on soft 17. In others, the dealer stands on soft 17.

Soft 17, the inhouse edge.  
A basic strategy player is about two-tenths of a percent higher than the house.  
How Does a Dealer's Decision to Stand or Hit on Soft 17 Affect You?
