

# mrjack.bet afiliado

A key difference between Blackjack and Spanish 21 is that all 10s are removed from the deck in Spanish 21. One Red Jack occurs, when the first two cards dealt equal 22. A combination of a face card (Jack), Queen, King, or Ace and a 10 are asking for the next card to be a "soft" card which may bust the dealer if he has a soft 17. (Where did the "monkey" come from? When looking for Dealer To Bust.) Tj T\*
