The idea for Trello was conceived by Joel Spolsky, Michael Pryor, and Daniel Tenner. They wanted to create a visual and intuitive tool for managing tasks or project components: the Kanban system used in Manufacturing. Trello was officially released to the public on September 8, 2011. What is the history of the company? Why did it succeed? Why did it fail? SE that is - quora: Who is/ The history (of) the company? Monte LO+How did it fail? offers a simpler approach to task management with hybrid team coordination. It makes it easier to manage tasks and collaborate on projects and stay organized! Trello: Features de Pricing & More - Forbes for business software; review; {kO};
