

sportingbet tem mercado de escanteios

<p>Try and forget everything you have known about SingBet. Yes, they have a nasty tendency</p><p>to void certain bets, but 😊 in recent times, we have worked extensively and hard to try</p><p>and minimise the number of voided bets that come 😊 from SingBet.</p><p>Having SingBet is a very</p><p>good addition to the already amazing bookmaker/exchange portfolio that is offered on</p><p>Sportmarket PRO. 😊 With them, you will sometimes get good odds on events that are not</p><p>offered by other partners.</p><p>We do offer SingBet 😊 and it can be included in your list of</p><p>available bookmakers. SingBet is not activated by default on a user's</p><p>account as they</p><p>are known for voiding bets (in most cases winning bets, but they also) Tj T* BT /P

<p>reason - normally only stating that the bet was 😊 "abnormal". This is something we cannot</p><p>influence.</p><p>SingBet is still offered to customers that are aware of the risk. We have</p><p>😊 plenty of customers who think it is worth taking the risk as they will always get one</p><p>or more points 😊 extra on the odds when a bet is placed with SingBet and they are usually</p><p>the only bookmaker offering markets 😊 on specific events.</p><p></p><p>If several bookmakers give the</p><p>same odds for a bet, our system will place the bet with other 😊 bookmakers first to</p><p>minimise exposure against voided bets.</p><p>It seems the risk of having a bet voided is</p><p>present, no matter 😊 if betting on a Pre-game or In-play and possibly if a tipping</p><p>service is followed, as many players may be 😊 hitting the line at the same time then.</p><p>Thus, there is no parameter that grants the bet will not be 😊 voided by this bookie but</p><p>you can always disable them via the "Bookies" menu in your Sportmarket Pro Settings.</p><p></p>-----
