The first generation of the Chevy Blazer, known as the K5 Blaz, was produced from 1969 to 1972. It was based on the Chevrolet C/K pickup, which was evident in its frame and front-end styling. It also adopted the truck's engine and suspension components. The History of The Chevy Blazer Generations Guide flannel. The brass buttons on the blazer reflect the garment's origins in late 19th-century British boating and cricketing.
