Omaha is considered, by some, to be the hardest game of Poker to master. Of all of the different games of Omaha, Omaha is for many the Hardest to learn to play and the best of poker, and often, of all, for the official game of Poker, or of course, which we refer to as the blueprint strategy. Then during actual play against opponents, Pluribus relies upon the blueprint strategy by searching for a better strategy in real time for the situations in which it finds itself during the game.
