Fight your way to victory in the Dino Duels with Power Rangers!

t;

The villain's spaceship has various monsters that want to

take down the Power Rangers and take a hold of the Energens, so you

have to defeat these foes in one-on-one fights with each ranger, protecting the

precious source of energy, because if it falls into the wrong hands,

the whole universe will be lost to the hands of evil.

Use the arrows to move and jump, space to attack, hold it down

first to do a charged attack, and if you can grab the health boosts,

do it, a recharge is always welcome. The arena of each fight is different, but

you usually have various platforms around where you try to defeat the

enemy by depleting their health bar completely, of course.

Let's start all the fun right now, as only here you can

have it, and make sure to invite your friends for it too!

How to play? Use the arrows, spacebar.
